

Dear friend,

We are excited to invite you to **join us as a sponsor of our 3rd Annual Forest Fantasy Fundraiser** which will be held November 1 from 6-9 p.m. at The Lodge at Brady's Run Park – adjacent to our new Forest Exploration Center and Native Tree Nursery.

Reforest Our Future is a Beaver County-based nonprofit organization that engages, educates, and empowers people and communities to plant trees, reforest landscapes, and revitalize essential ecosystems for a healthy future for all. Through our new Forest Exploration Center and Native Tree Nursery, we provide trees, educational classes, activities, and events, and create a hub for Beaver County residents and families to grow their connection to the value, benefits, and wonderment of the forest.

Our Forest Fantasy Fundraiser draws Beaver County neighbors, community leaders, and public officials to come celebrate this work with us, break bread together, and enjoy a fun evening of live music, libations, and festivities in the enchanting setting of Brady's Run Park.

As a sponsor, your investment will help expand the reach and impact of our vital mission, ultimately creating a healthier, more vibrant future for all in our community and beyond!
